**Comments**

\*NOTE: If proposed water supply well is within Fox Canyon Groundwater Management Agency, Ojai Basin Groundwater Management Agency, the Cities of Ojai or Ventura, this County Application for Well Permit can be submitted, but will not be processed, until the County receives a copy of the approved Agency/City permit. If the proposed water supply well is within the Santa Paula Basin Pumpers Association, United Water Conservation District, Camrosa Water District, the Cities of Fillmore, Simi Valley, or Thousand Oaks, the County Application must be accompanied by a copy of Agency/City acknowledgement of the property owner's intent to install a new water supply well. If the proposed water supply well is within the City of Oxnard, a County Well Permit is not required, but a City of Oxnard well permit is required.

I hereby agree to comply with all provisions of Ventura County Well Ordinance No. 4184, and all applicable State of California and local regulations pertaining to well construction, repair, modification and destruction. I also agree to comply with all conditions of the issued permit to include the submittal of post requirement documents and reports. I understand that any modification of the issued permit requires approval by the Manager, Water Resources Division and that the information contained herein becomes a part of the permit when issued.

**Well Location Map / Site Plan:** Indicate exact location of proposed well, showing existing wells, water courses, roads, property lines, septic tanks and leach fields, sanitary, industrial, and storm sewers, barnyard and stable areas, feedlots, and solid waste disposal sites. Setbacks from potential sources of contamination shall comply with the California Department of Water Resources *California Well Standards Bulletin 74-90* available at the below website address:  
[http://www.water.ca.gov/groundwater/well\\_info\\_and\\_other/california\\_well\\_standards/well\\_standards\\_content.html](http://www.water.ca.gov/groundwater/well_info_and_other/california_well_standards/well_standards_content.html)

Map should be drawn to scale or show distances of the above items from the proposed well. Map extent should be a minimum radius of 500 feet from the proposed well.
